LODGE GOLF OUTING IS AUGUST 22

Greetings Fellow Elks,

As the calendar flips from July into August, summer is in full swing. The heat and humidity reach their zenith as we make our annual trek through the “dog days of summer.” As this season has been warmer than usual, I hope everyone has been able to keep cool and remain healthy. I also hope that everyone had a safe and happy Independence Day.

We held several fun-filled events throughout July. Thanks go out to PER Rich Threadgill for hosting a delightful bourbon and cigar tasting, and to Dianna Threadgill and Danielle Mahany for throwing our annual Christmas in July party. The food was delicious and the drinks were tasty. Good times were had by all.

Thanks, are also in order for trustees Joe Puchalski, John Masterson, and Jeff Coyle for tackling one of the many projects that haunt our building. They have begun the remodeling of our stairwell, and it is a daunting project and their efforts have not gone unnoticed. I would also like to thank PER Nate Moore, who has moved on from his position as Trustee. Nate has provided the lodge with many years of dedicated service and all that he has done is greatly appreciated.

August is going to be a significant month for our lodge, we have a couple of important fundraisers happening. Our PER basket raffle will be held on August 8th, we still have open spots for the main raffle and a blind raffle that includes some outstanding prizes. Everything can be purchased both in the lodge or online. We will be holding our annual golf outing on August 22nd, it will be held at Royal Crest and will be followed by a barbeque dinner at the lodge. Like in previous years, people can register via our website or in person, with the ability to choose their own foursomes. There will be a “Fancy Cocktail” tasting on August 29th and stopping down for dinner or drinks is always welcome.

If you need to beat the heat, remember, you can do that at the lodge. We have good food, good drinks, good friends, and always a great time! I hope to see you there.

Fraternally Yours,

Kevin Maloney

Please welcome our newest member to the lodge, Jim Lee. Jim was initiated at the July lodge meeting. The lifeblood of the lodge depends on active membership. If you know someone who would like to be part of our great order, bring them down to a beer tasting, basket raffle, or many of the other entertaining events the Berea lodge puts on throughout the year. Once again, welcome Jim!

Governor DeWine has issued a mask mandate for the whole state of Ohio. **You must have a mask on when entering the lodge.** Your mask can be removed when seated or when you are enjoying the weather on the back patio. Please continue maintaining social distancing and respecting the rules. The health and safety of our members and guests always takes top priority. Thank you for everyone's continued effort in these new and strange times. Hopefully soon this will all be over!

It may not be the baseball season we all wanted, but it is the baseball season we have! The Cleveland Indians 2020 World Championship campaign just began in late July with a short 60-game season slated to run through September (and hopefully deep into October!).

Since you can't go to the games in person, come down to the lodge and watch the game with your fellow Elks on one of our four large flat screen TV's, including our new 75" mega screen viewable from just about anywhere in the dining area.

Cheer on the boys of summer, before the summer is over and enjoy ice cold beer and great food!

Let's go Tribe!

With the NFL pre-season officially cancelled, we only get to look forward to games that count, which doesn't usually bode well for the Browns! Nonetheless, it's a new season with a new coach and new uniforms!

The season is scheduled to begin Sunday, September 13th at the Baltimore Ravens. We'll be tailgating in the lodge parking lot for the away games and, if fans are not able to attend home games, we will likely also tailgate in the parking lot and then move downstairs to watch the games on the big screen.

Look for more details in the September issue of the Bullhorn.
